

## GORE-TEX ERGONOMIC RANGE

# FAL GTR500

Reference:	301502
Sizes:	36 to 47 EU
Height:	12 cm internally (aprox Size 42)
Weight:	1,100 Kg/pair (aprox Size 42)

### DESCRIPTION

Water-repellent suede leather and cordura boots. Gore-Tex lining. Dual density PU sole.

**Cut:** Split leather and cordura fabric. Both water-repellent.

**Collar lining:** Coolmax fabric: great breathability and abrasion resistant. Padded

**Lining:** Gore-tex membrane, waterproof and breathable. High abrasion resistance.

**Removable insole:** Anatomically preformed. With antibacterial treatment. It can be washed at 30°C and is abrasion resistant.

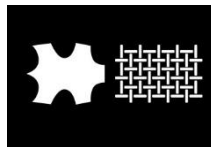

**Sole:** Double density polyurethane.

**Closure system:** Water-repellent laces.
